Online resources - Colorado snowpack monitoring, drought early warning, and runoff forecasts

Operational Snowpack Monitoring - Data and Analyses

NRCS Colorado Snow Survey - NRCS SNOTEL/Snowcourse

[List of all snow data products](#)

[Today's Colorado Snow/Precipitation Summary Report](#) (text format)

[SNOTEL Update Report](#) - user selectable basin/date

[Basin Time-Series SWE Summary Graphs](#)

[Colorado Snowpack Update Summary Map](#)

[NEW Interactive map of current SWE conditions for CO and access to site-level data](#)

NOAA Colorado Basin River Forecast Center (CBRFC) - NRCS SNOTEL/Snowcourse

[Upper Colorado/Great Basin Snow Conditions \(% Median SWE\) Map](#)

[Snow Groups](#) (seasonal time-series generated from selected groups of SNOTEL sites)

NOAA National Operational Hydrologic Remote Sensing Center (NOHRSC) - Blend of satellite + airborne + SNOTEL + weather stations

[National Snow Analyses \(SNODAS\)](#) (daily; links to regional analyses)

New Snowpack Monitoring Capabilities - Descriptions/examples

[Airborne Snow Observatory \(ASO\) - Homepage](#) - Airborne LIDAR and multispectral imagery and analyses

Drought Monitoring and Early Warning

National Integrated Drought Information System (NIDIS)

[Drought.gov Homepage](#) - US Drought Monitor and other drought indicators, drought impacts

[NIDIS Upper Colorado Drought Status Briefing](#) (weekly webpage updates and monthly webinars; for WY, UT, and CO)

Runoff Forecasts

NRCS Colorado Snow Survey - All Colorado basins

[Colorado Water Supply Outlook Reports](#) (monthly, January-June)

[Colorado Streamflow Forecast Map](#) (monthly, January-June)

[Western US Streamflow Forecast Map](#) (monthly, January-June)

NOAA Colorado Basin River Forecast Center (CBRFC) - Colorado Headwaters, Yampa-White, Gunnison, San Juan-San Miguel-Dolores Basins

[Colorado Basin - Water Supply Outlooks](#) (monthly, January-June)

[Map-based selection to both Official Water Supply Forecasts](#) (monthly, January-June) and [Ensemble Streamflow Prediction \(ESP\) Forecasts](#) (daily, January-July)

[Colorado Basin Water Supply Webinars](#) (monthly, January-May)

NOAA Missouri Basin River Forecast Center (MBRFC) - S. Platte and N. Platte Basins

[Missouri Basin Water Supply Statement](#)

[Text version of latest Water Supply Forecasts](#)

NOAA Arkansas-Red Basin River Forecast Center (ABRFC) - Arkansas Basin

[Map-based selection to both Official Water Supply Forecasts](#) (monthly, January-June) and [Ensemble Streamflow Prediction \(ESP\) Forecasts](#) (daily, January-July) [NOTE: in dialog box at right, under "Offices", check the "ABRFC" box to see forecast points in the Arkansas]

[ABRFC Water Supply Forecast page](#)

[ABRFC Water Supply - Ensemble Forecast \(ESP\) Graphics](#)

NOAA West Gulf River Forecast Center (WGRFC) - Rio Grande Basin

[Map-based selection to both Official Water Supply Forecasts](#) (monthly, January-June) and [Ensemble Streamflow Prediction \(ESP\) Forecasts](#) (daily, January-July) [NOTE: in dialog box at right, under "Offices", check the "WGRFC" box to see forecast points in the Rio Grande]

Dust-on-Snow

[Colorado Dust-on-Snow \(CODOS\) program](#)

Other Regional Climate Summaries and Resources

[WWA Intermountain West Climate Dashboard - Monthly Briefings](#)
